

## ● Financial Advisory Business

Staffed with professionals attuned to global developments, this subgroup offers advice and consulting on not only asset management, but also securitization, M&A, financial offshoring, fund management, entertainment investment, and other financials options.

Our office in Zurich utilizes our SPCs in the Cayman Islands to respond to asset management needs of foreign investors around the globe.

Guided by the motto of “investment in the real thing, investment in people, and investment for society’s benefit,” we collaborate with our global partners to pursue strong profit performance in diverse market, including those emerging countries.
